[Two considerations have mainly governed the choice of books in the accompanying list. In the first place college and school editions of Shakespeare's separate plays have been excluded, and mention is only made of books which seem to throw some original light on the study of Shakespeare's work or life. In the second place it has been deemed desirable to keep the total cost of the library within a limit of some twenty pounds.]

Several books which deal with more specialized lines of study than might justify their admission to the general list, are noticed in an Appendix. Many of the volumes that figure in the Appendix are costly. But from among them the main library might well be supplemented from time to time as funds allowed. In making additions to the substantive list from the Appendix, it would be wise to give precedence to works of service in the study of the text.

Unless otherwise stated, the books mentioned are kept in print by the publishers. The dates of the latest editions are alone given. Those works marked † are included in 'A Short List of Books on English Literature from the Beginning to 1832,' which has already been issued by the English Association (Leaflet No. 3, pub. 1907).

Students and librarians would be well advised in joining the Deutsche Shakespeare-Gesellschaft, of which the *Jahrbuch* or annual volume, published in May, supplies essays of value on Shakespearian themes together with an exhaustive review and bibliography of the year's Shakespearian literature. The annual subscription is ten shillings, and may be paid to the Langenscheidtsche Buchhandlung, 30, Bahnstrasse, Berlin-Schöneberg, Germany.]

I

1. TEXTS OF THE WORKS.

a. PLAYS AND POEMS.

The 'Globe' Edition: ed. W. G. Clark and W. Aldis Wright. Macmillan. 3s. 6d.

or

The 'Oxford' Edition: ed. W. J. Craig. Clarendon Press. 2s.

[Each of these books supplies in a single volume of a size fitted for ready reference a trustworthy text of the whole of Shakespeare's work without comment but with brief glossary.]

The 'Temple' Edition: ed. Prof. I. Gollancz. 40 vols. Dent. 1s. net each.

[Each play is in a separate volume, and has a concise introduction with notes and a glossary.]

or

The 'Eversley' Edition: ed. Prof. C. H. Herford. 10 vols. Macmillan. 4s. net each, or 39 vols. 1s. net each.

[This edition has good introductions but scanty notes. Both the 'Temple' and 'Eversley' editions follow the Cambridge Text. (See Appendix I, § 1 *infra*.)]

b. DOUBTFUL PLAYS.

The Two Noble Kinsmen: ed. Prof. C. H. Herford. The Temple Dramatists. Dent. 1s. net.

[There are grounds for regarding this play as a joint work of Shakespeare and John Fletcher.]

Edward III: ed. Prof. G. C. Moore-Smith. The Temple Dramatists. Dent. 1s. net.

[Portions of this play have been doubtfully assigned to Shakespeare.]

The Shakespeare Apocrypha: being a collection of fourteen plays which have been ascribed to Shakespeare; with introduction, notes, and bibliography by C. F. Tucker Brooke. Clarendon Press. 5s. net.

[This book contains, in addition to the Two Noble Kinsmen, the thirteen plays, for the authorship of which in whole or part Shakespeare has been occasionally held responsible, although on few grounds that merit attention. The plays are—*Arden of Feversham; Locrine; *Edward III; Mucedorus; Sir John Oldcastle; Thomas Lord Cromwell; The London Prodigal; The Puritan; A Yorkshire Tragedy; *The Merry Devil of Edmonton; Fair Em; The Birth of Merlin; Sir Thomas More. This collection is chiefly valuable as an illustration in a brief compass of the commonplace types of drama which were popular in the Elizabethan or Jacobean playhouses.]

The three plays marked * in the above entry have been separately edited with preface, notes, and glossary in the Temple Dramatists. Dent. 1s. net each. *Edward III* has already been mentioned; *Arden of Feversham* is edited by the Rev. Ronald Bayne; *The Merry Devil of Edmonton* by Prof. Hugh Walker.]

c. POEMS.

Poems. Ed. George Wyndham. Methuen, 1898. 10s. 6d.

[The Introduction and Notes abound in elaborate and delicate criticism which is always of great interest, if sometimes unconvincing.]

Sonnets. Ed. Prof. Edward Dowden. Kegan Paul. 1881. 7s. 6d.

or

Sonnets. Ed. Canon Beeching. Ginn. 3s.

[Those who are studying the problem of the Sonnets will find both Prof. Dowden's and Canon Beeching's comments useful, even though they dissent from some of the editorial conclusions. A different view of the Sonnets is offered in the present compiler's biography of the poet and in his editions of Shakespeare's works (see *infra* II, § 1, and Appendix I, § 1.)]

2. GRAMMAR AND GLOSSARY

[It is essential to have access to a copy of the New English Dictionary edited by Sir James Murray, Dr. H. Bradley, and Dr. W. A. Craigie, now in course of publication by the Oxford University Press. Though the work does not contribute very much that is new to the interpretation of Shakespeare's vocabulary, it is invaluable for its historical treatment of words and for its amplitude of illustrative quotation.]

Schmidt, Alexander. Shakespeare-Lexicon. A complete dictionary of all the English words, phrases and constructions in the works of the poet. Third edition, revised and enlarged by George Sarrazin. 2 vols. Berlin. Reimer. 30s.

[An alphabetical list of all the words used by the poet, whether obsolete or not, with explanations and references to the text. Some of the interpretations in difficult passages are questionable, but as a whole the book is full and trustworthy.]

Dyce, Alexander. A Glossary to the Works of William Shakespeare. Ed. Harold Litledale. Swan Sonnenschein. 7s. 6d.

[An explanatory index of allusions to social customs as well as to obsolete words.]

Abbott, The Rev. E. A. A Shakespearian Grammar. Macmillan. 6s.

[A manual of Shakespearian syntax and prosody.]

Bartlett, John. A new and complete concordance to words, phrases, and passages in the dramatic works of Shakespeare with a supplementary concordance to the Poems. Macmillan. 21s. net.

[Shakespeare's vocabulary is here exhaustively indexed, and the context is fully quoted in every entry. Unfortunately the arrangement of the quotations is merely mechanical, and no attempt is made to indicate that similarly spelt words are often employed in the cited passages in varied senses, or even as different parts of speech.]

3. CRITICISM AND INTERPRETATION

a. EARLY APPRECIATIONS.

The Shakespeare Allusion Book. Ed. J. J. Munro. Chatto. 2 vols. 21s. net.

[Reprints all known references to Shakespeare and to his works before the close of the seventeenth century, arranged in chronological order.]

Raleigh, Walter. Johnson on Shakespeare. Frowde. 1908. 2s. 6d. net.

Smith, Nichol (ed.). Eighteenth Century Essays on Shakespeare. Maclehose. 7s. 6d. net.

[Contains *inter alia* Rowe's, Pope's, Theobald's, Hanmer's, Warburton's, and Johnson's prefaces to their respective editions of Shakespeare, and Farmer's 'Essay on the Learning of Shakespeare'.]

Many references to Shakespeare will be found in Goethe's 'Wahrheit und Dichtung' and in Eckermann's 'Reports of Goethe's Conversation'. An Essay on Shakespeare's pre-eminence, entitled 'Shakespeare und kein Ende', appears under the section headed 'Theater und dramatische Dichtung' in the chief editions of Goethe's collected prose works.]

APPENDIX

I

1. TEXTS OF THE WORKS

a. ANNOTATED LIBRARY EDITIONS.

The Cambridge Shakespeare. Ed. W. Aldis Wright. 9 vols. Macmillan, 1890-92. 10s. 6d. each vol.

[The text is formed from a careful and first-hand collation of the original and all succeeding editions. The prefaces give valuable aid in textual criticism, and the notes collect a mass of various readings. The last volume gives reprints of the imperfect first quartos of *The Merry Wives of Windsor*, *Henry V*, *Hamlet*, together with *The First Part of The Contention*, and *The true Tragedie of Richard Duke of Yorke*, the two plays on which are based the second and third parts of *Henry VI*. The comment in this edition is solely confined to textual criticism.]

A new Variorum Edition. The Works, ed. H. Howard Furness (in progress). Lippincott (Philadelphia), 1871-1908. 15s. net each vol.

[This edition prints the First Folio text in the original spelling, and collects on an exhaustive scale at the bottom of the pages the various notes of previous editors. The Introductions and Appendices give previously published essays of criticism and research. Although the massive editorial apparatus is mainly compiled from older sources, room is found for much shrewd original comment by the editor. The following plays have appeared: *Romeo and Juliet*, *Macbeth*, *Hamlet* (2 vols.), *King Lear*, *Othello*, *The Merchant of Venice*, *As you like it*, *The Tempest*, *Midsummer Night's Dream*, *The Winter's Tale*, *Much Ado about Nothing*, *Twelfth Night*, *Love's Labour's Lost*, *Antony and Cleopatra*, and *Richard III*.]

The Caxton Shakespeare. The Works. With annotations and a general introduction by Sidney Lee. With prefaces to separate plays by William Archer, Canon Beeching, Mr. Birrell, Prof. Dowden, M. Jusserand, Prof. Raleigh, Prof. Saintsbury, Dr. Ward, and others. Caxton Publishing Company, London. 20 vols. 1910. 6s. 6d. net per volume.

[The text follows the Cambridge Shakespeare, but occasionally the present editor gives in his notes reasons for preferring another reading. The notes which are at the bottom of the page deal briefly with textual, verbal, historical and general matters, and cite parallel passages wherever they seem to have illustrative pertinence. The annotations of the later plays and the Sonnets are full. The last volume contains two Indices and a Glossary.]

b. FACSIMILE REPRINTS.

The First Folio.

Shakespeare's Comedies, Histories and Tragedies, being a reproduction in facsimile of the First Folio Edition, 1623, from the Chatsworth copy in the possession of the Duke of Devonshire, K.G. With introduction and census of copies by Sidney Lee. Clarendon Press. 1902. In Folio. (Out of print, published at five and six guineas.)

[The First Folio is the only Folio edition worth the close attention of students. Another facsimile of the First Folio has been long announced by Messrs. Methuen, who have already produced full-sized facsimiles of the Second, Third, and Fourth Folios, price £4 4s. each, together with

a controversial introductory volume entitled *Shakespeare's Folios and Quartos*, A study in the Bibliography of Shakespeare's Plays, 1594-1685, by Alfred W. Pollard. £1 1s. net.]

The First Folio, in reduced facsimile. Chatto. 1876. 10s. 6d.

[This reproduction in small 8vo is rather too small to be very convenient for use.]

The Quartos.

Quarto Facsimiles reproduced by photographic process under the superintendence of F. J. Furnivall. With careful introductions on textual matters by various writers. 43 vols. 1883-9. Quaritch. £15 15s.

[This series contains nearly all the early quarto issues of the plays and poems, dating from 1593 to 1634, but the photographic reproduction is not always trustworthy.]

Shakespeare's Merry Wives of Windsor, 1602. Ed. W. W. Greg. Tudor and Stuart Library. Clarendon Press. 5s. net.

[A type-facsimile of the First Quarto, with learned textual annotation.]

Shakespeare's Poems and Pericles; reproduced in facsimile from the first editions, with introductions and bibliographies by Sidney Lee. Clarendon Press. 5 vols. £4 4s. net; or in one volume £3 13s. 6d. net.

[This series supplies work by Shakespeare which was excluded from the First Folio. The undertaking is designed to supplement the Oxford Folio facsimile mentioned above.]

2. GRAMMAR, PHONETICS, AND PROSODY

Franz, Wilhelm. Shakespeare-Grammatik. 2 vols. Halle. Niemeyer. 18s. 6d.

[A somewhat more elaborate effort on the lines laid down by Dr. Abbott. The work has not been translated into English.]

Viëtor, Wilhelm. Shakespeare's Pronunciation. 2 vols. 1. Phonology, 6s.; 2. Reader, 3s. 6d. Marburg. Elwert. 1906.

[An elaborate contribution to Elizabethan phonetics.]

Saintsbury, Prof. George. A History of English Prosody from the Twelfth Century. Vol. I. From the Origins to Spenser. Vol. II. From Shakespeare to Crabbe. Macmillan. 10s. net each.

3. CRITICISM AND INTERPRETATION

a. EARLY APPRECIATIONS (BEFORE 1800)

Smith, Prof. George Gregory. Elizabethan Critical Essays. 2 vols. Clarendon Press. 12s. net.

Spingarn, Prof. J. E. Seventeenth Century Critical Essays. 3 vols. Clarendon Press. 5s. net each.

Ker, W. P. Dryden's Essays. 2 vols. Clarendon Press. 8s. net.

[The criticism in these seven volumes passes beyond the scope of Shakespeare's work, but much may be learned from them of the critical standard by which Shakespearian drama was first judged.]

Jusserand, J. J. Shakespeare in France under the Ancient Régime. Unwin, 1889. 21s. net.

b. GENERAL ESTIMATES.
